On nearly a half-acre corner lot in Bellbrook Estates this complete renovation has everything you're looking for. The home features the most current design, color and material trends and a well-designed floorplan. Impressive covered outdoor living area overlooking the updated pool and greenspace has a seating area with stone fireplace, kitchen, bar, dining area and three flat screen televisions visible from any space in the backyard. Full bath access from patio. Hardwood flooring throughout main living areas and master. Beautifully appointed kitchen with stainless steel 5 burner gas stove, double dishwashers and ovens, warming drawer and refrigerator. A spacious first floor master suite has a spa-like bath. Study with built-ins down. Four bedrooms up, two with private baths. Bonus area sets up well as nanny quarters. Platform style home theater with wet bar and adjacent half bath. In the perfect location this neighborhood is tucked beyond a picturesque tree lined entrance with access to White Rock Creek walking trail and park.
